

Dear Friends,

I am thrilled to share with you our newest introductions! These designs take us back to our roots, to our more casual and relaxed beginnings that we became known for.

As always, we want to thank you, our loyal customers who have continued to support us throughout the years. It is because of your support that we can continue to do what we love: Design! Our philosophy is that every day should feel like you're on vacation, even when you're not, and you can count on Padma's Plantation to bring a taste of the tropics to your home!

Padma's Plantation is passionately committed to designing furniture that is not only inspired by nature's beauty, but more importantly, respects it. We continually strive to create unique products using sustainable materials, such as rattan and bamboo, along with ecologically safe practices, with the hopes of keeping the world safe and as beautiful as the furniture we design.

Please sit back, relax and *escape* your busy lives and discover our newest designs. Let us help you create your oasis of peace and relaxation, where you can live.

The life you imagine....

Con Cariño,
Renee Maria

Padma's Plantation is a nature-inspired company that focuses on crafting furniture of natural materials including renewable resources like bamboo, rattan, and abaca to create fine furniture and accessories that evoke the tropics and all it entails. Like the easy-going, laid back style enjoyed by those who live in warm climates, Padma's Plantation designs are casual and comfortable.
